PACKING&SHIPPING

PACKAGING DETAILS

Customized packing: We accept customized package, with your logo or brand printed on your label and box.

Export packing: We use export carton with shipping marks for the protection of the long way shipping.

1-12051371-0 1120513710 U BOLT SCREW is an important part designed for ISUZU NKR cars. It is made of high-quality materials for excellent strength and durability.

Mainly used for fixing the front steel plate of the vehicle, the extended design of this U-screw provides

better tightening effect and ensures that the steel plate is stable and reliable while the vehicle is in motion, preventing it from loosening or shifting. It helps to maintain the overall structural stability of the vehicle, especially when dealing with various road conditions and loads, to ensure driving safety.
